by persons who have spent the past two weeks with friends here. Hunting parties and dogs from some of the large cities save been very much in evidence in this ounty nearly every day since the partialge season opened, and it is said that in some parts of the county the supply of same will be exhausted before the cities conclude their fail work and have time to indulge in the hunting. The presence of full grown deer in West-oreland and King George is attracting a treat deal of attention, and where the nimels came from is a subject of no litle comment and conjecture. A corn husker operated by steam was not to work recently in the field of Tom Minor, King George county, which attracted nearly as much attention as a assing circus would have done it is he first attempt in the Northern Neck to shuck corn by steam, and the clizens were half crazy to see this machine do what fingers have been doing ever since addance in his been the chief commodity ere. The machine shocks corn all right, but it will not take the place of human ands in this day and generation.

AND IT STAYS CURED.

Cafelerian is harmless, and may be taken freely. It contains no Morphine, Co-

Cafelerian is pleasant to the taste; it braces the nervous system, invigorates the mind and relieves mental exhaustion; it cures insomnia and all forms of nervousness and nervous dyspepsia.

Cafelerian does not depress, as nearly all other headache remedies do; there are never any unpleasant effects after taking Cafelerian; the headache is gone, that is all.

Cafelerian is recommended by physicians to the ladies, whose social claims demand late hours, and to the gentlemen who have indiscreetly lingered too long with convivial companions.

Cafelerian is sold both as a pleasant tasting liquid and as an effervescent salt. It is undoubtedly the best headache remedy ever off red the public. For sale by druggists and at the soda fountains. Sample bottles 10 cents.
